Mexico is not only famous for its tacos and tequilas but there are also many well-known actors, writers, footballers, musicians, inventors, artists and much more.

Frida is a renowned artist and proto-feminist. She is one of the well-known Mexicans that has left her mark on her country and on the world. Her artistic legacy became even more popular after her death. There is a Frida Kahlo museum in Mexico city and she even appears on the Mexican currency notes.

Salma is a celebrated Mexican actress that has graced the silver screen for years. She got her big break in the states in the Mariachi Trilogy and Once Upon a Time in Mexico. Her leading role in the film Frida some of her best films include Grown-ups, Puss in Boots, The Hitman's Bodyguard and Like a Boss.

Pancho was initially a bandit who became a general in the Mexican revolution and a guerrilla leader who fought against the regimes of both Pofirio Diaz and Victoriano Huerta. He advocated for the poor and most a most charismatic and prominent figure. Pancho was assassinated in 1923.

Carlos was ranked the wealthiest man in the world between 2010 and 2013. He is currently the richest in Latin and South America. He has invested in education, healthcare, industrial manufacturing, transportation, real estate, media hospitality among many other fields.

Carlos was from the wildly successful rock/jazz band Santana. He was signed in 1969 and went on to perform at Woodstock in the same year. His most well-known song was Oye Como Va and Black Magic woman/Gypsy Queen. Carlos was the only consistent member in the bands history.
